ACCOMMODATION

Leisure Options believes in using only 4 and 5 star luxury accommodation where ever possible for its holidaymakers, including twin share accommodation on all cruises. This ensures the highest quality and comfort of your holiday. We can also arrange a single room if you prefer, however a single supplement applies.

PRE/POST TOUR ACCOMMODATION PACKAGE

If you need an additional night of accommodation before or after your holiday, we can arrange it for you from \$560 per night. This includes staff support from 4.30 pm on the day prior/post travel through to your departure, dinner, bed and breakfast.

AIRFARES

Airfares are NOT included in the advertised price of the holiday except where indicated. We encourage travellers to book holidays early so we can negotiate the best possible airfares on YOUR behalf. Leisure Options pays for carbon offset on all airfares to assist with greenhouse gas emission reduction.

DEPARTURES

All advertised Leisure Options holidays depart from Melbourne. However, we are able to arrange for you to join the holiday on route or have a Tour Leader travel with you from your departure point. There may be an additional cost for this service.

TRAVEL INSURANCE

Travel insurance is not included in the price of the holiday but we strongly recommend all travellers obtain insurance. Leisure Options staff will provide you with a quote and policy to suit each holiday.

TOUR LEADERS

Throughout your holiday, your Leisure Options Tour Leaders will play a really important role in making sure you have a great time, see all of the sights, and are safe and well looked after. Basically, they are there to make sure that you have the care and support you need so you can relax and enjoy your holiday!

All of our Tour Leaders have passed police checks, have current first aid certificates and have access to 24 hour nursing advice and support. Tour Leaders do not share rooms with travellers but will be available to you whenever you need them.

ACTIVE NIGHT

If you need checking or intervention during the night (for example, due to a medical condition such as epilepsy or a history of nocturnal wandering) you will require an Active Night staff person during your holiday.

Leisure Options can arrange for Active Night support as part of planning your holiday. We take great care in selecting Active Night staff with appropriate qualifications and traveller-care experience. As not all holidaymakers require Active Nights, these costs are not included in the advertised prices of the holidays.

SMALL GROUP TOURS

Group sizes are limited (normally to about 12 people including staff) to provide exceptional and boutique travel experiences. This lets us pack so many activities and outings into every holiday for maximum enjoyment. Small group touring allows travellers to be in the company of like-minded others who are taking time to explore the same part of the world. Shared interests and experiences leads to more meaningful friendships and great memories.
