Thank you to all of our travellers who took the time to enter our 25 year giveaway. We had so many high quality entries and choosing the winners was incredibly difficult.

KARLY

A Free Cruise

"On my first trip to Tasmania I was known as Karl Smith and identified as a male. During this trip I was greeted with respect and was made to feel comfortable from the very first meeting. The trip was planned out wonderfully from exploring local tourist hot spots to seeing what Tasmania's beautiful nature had to offer. The best part about this was that I was able to enjoy my holiday with likeminded people where I built friendships that continued on long after the holiday.

The first holiday was so fantastic that I was supported to book another holiday back to Tasmania on Hobart Explorer 2019. This time I was now known as Karly Smith and identified as a female. Although I was excited for my holiday, I was also anxious about what people would think about my transition. To my relief I was again greeted with respect and kindness and I felt very comfortable with the support and the others attending this holiday. The holiday was fantastic and I am now currently in the process of booking my next holiday with Leisure Options and I cannot wait to try something different!"

MARYLOU

Return Domestic Airfare

"...I met a really good group of people that were all friendly, I loved the accommodation, the food and the holiday was not long enough, I did not want to come home. I have made some good friends and can't wait to go on my next adventure with Leisure Options..."

NICOLA

Cannon PowerShot G9X Camera

"...A highlight for me was seeing a pod of dolphins frolicking in the sea while my husband was beach fishing at sunrise. Another high note was going kayaking in a pristine inlet at Mossy Point. This was something I had never done before. Now we are home already missing the fantastic sea views and the hum of the ocean waves which quietly lulled you to sleep at night..."

THE LEISURE OPTIONS TEAM

Cathy and Gary

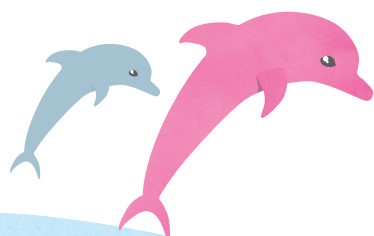

As we say goodbye to our 25th anniversary, Cathy and I wish to thank the many thousands of travellers who have been part of our journey to date.

From our humble beginnings back in 1994, **Leisure Options has grown to become Australia's most awarded supported holiday provider.** As the owner and managing director of Leisure Options, I have had both the pleasure and privilege to work and travel with some amazing people who have all contributed to the success of our business.

Our team has worked relentlessly to hone our skills and refine our product offering to provide you, the traveller, with an amazing holiday experience.

Our business has had consistent year on year organic growth with our 25th year being the most successful to date. As the demand for our holidays continue to soar, we look forward to the challenge of meeting those demands whilst maintaining the high standards that our travellers have come to expect and rightly deserve. Our focus remains on delivering the highest quality product that sets the benchmark for our industry.

We are extremely proud of where Leisure Options sits in the supported holiday and travel space. It is a tremendously rewarding role we play so thanks to everyone who has gifted us this opportunity to shine.

“

I think my holiday was the best as I was able to make friends with everyone. I loved the job all the leaders did in looking after me on this great holiday!

SMALL GROUP TOURS

Leisure Options believes in creating memorable experiences for each of our travellers. We prefer to travel with smaller groups (normally 12 people including staff) enabling us to provide personalised and bespoke travel experiences. Limited numbers, with high staffing ratios, allows us to customise every tour and include activities and outings that stimulate each of our traveller's interests. These shared interests and experiences lead to more meaningful friendships and long-lasting memories.

TOUR LEADERS

Leisure Option's Tour Leaders have police checks, national worker checks, first aid certificates and access to 24 hour nursing advice and support. Their focus is on delivering incredible service and an authentic experience to make each holiday memorable.

By building strong relationships with each traveller our tour leaders are able to understand individual needs and provide support in a safe and nurturing environment. Their unique knowledge of the destinations we visit ensures that you can relax and immerse yourself in a physical, emotional and cultural journey.

Tour Leaders are not able to share rooms with travellers but will be available when needed.

HIGH STAFF TO TRAVELLER RATIOS

At Leisure Options we strive to offer unparalleled holiday support, guidance and care. To enable this, our holidays are always staffed at high support ratios. Offering ratios no greater than 1:4 ensures that you are able to actively participate in holidays that meet your aspirations and goals. Leisure Options staffing ratios are the highest in the industry and provide peace of mind that you will receive the care and support you require.

ACCOMMODATION

Leisure Options aims to create a family like atmosphere whilst on tour. To do this, where possible, we stay in luxury houses with multiple bedrooms so that everyone is accommodated under the one roof. This provides the greatest opportunities for travellers to socialise and create meaningful friendships. On cruises we only use twin share cabins and when booking hotels we aim for 4 and 5 star luxury accommodation. We can also arrange a single room for travellers, however a single supplement will apply.

ACTIVE NIGHT

Leisure Options is happy to provide checking or intervention during the night (eg. due to a medical condition such as epilepsy).

This will require an active night staff person during your holiday and must be organised prior to departure. Leisure Options will arrange for active night support as part of planning your holiday.

As not all travellers require this support, these costs are not included in the advertised prices of the holidays.

AIRFARES

Airfares are NOT included in the advertised price of the holiday except where indicated. We encourage travellers to book holidays early so that we can negotiate the best possible airfares on your behalf. Leisure Options pays for carbon offset on airfares to assist with greenhouse gas emission reduction.

DEPARTURES

All advertised holidays depart from Melbourne. However, if you live elsewhere, we are able to arrange for you to join the holiday on route or have a Tour Leader travel with you from your location to our departure point. There will be an additional cost for this service.

PRE/POST TOUR ACCOMMODATION

If you need an additional night of accommodation before or after your holiday, we can arrange this for you from a cost of \$590 per night. This includes staff support from 4.30 pm on the day prior/post travel through to your departure, dinner, bed and breakfast.

TRAVEL INSURANCE

Travel insurance is not included in the price of your holiday but we strongly recommend all travellers obtain insurance. Travel insurance is mandatory for all cruises and international holidays. Leisure Options staff will provide you with a quote and policy to suit each holiday.

NDIS

Leisure Options is a nationally registered NDIS service provider. Our tours offer opportunities to develop new skills and capabilities in a safe and fun environment.

“

Great way for people with disabilities to get out and experience the world without their families. They are looked after by the most wonderful people with passion to help and care in their hearts!

LEISURE OPTIONS CRUISES HOLIDAYS 2020/2021

Cruise holidays offer a unique and truly relaxing way to experience a myriad of destinations and holiday experiences under the one roof.

Where else can you unpack once, have your room cleaned twice a day, eat at a new restaurant each night and visit some of the most exotic locations on earth.

All Leisure Options cruise holidays will include both port and anchor stops where there are options for on shore tours or to explore at your own leisure. Port stops are fully accessible, however it is important to note that anchor stops require travellers to board smaller tender boats which are used to transfer to shore. Travellers with limited mobility and wheelchair users may not be able to disembark the ship at these anchor stops.

Due to popularity and limited cabin availability, we recommend that you book your Leisure Options cruise holiday at least 6 months in advance. In line with our premium product offering, Leisure Options will only ever place two people in a cabin (twin share), although single use is available at an additional cost.
